

# Your Custom Design Clay Stamp Order Form

## Instructions:

### Step 1. What should your stamp say or look like?

Please write text or attach artwork to this form with the layout. Any preference of font or changes needed to the attachment?

### Step 2. Choose surface type - hard or soft?

- Hard to mark into soft clay (most common)**  
Crisp detail Signature Writer ® Surface
- Soft to transfer underglaze**  
for use on bisqueware - Rubber Surface

You can draw your design here, but draw it LARGER than the final stamp you need made, the results will be better as it will clean up as we size it down. We can clean up the layout at no charge, and set text in a computer font or we can make exactly what you draw here. Which do you prefer?

- As drawn here.**
- Please clean up / set computer text**
